

Women, Media and Politics - #womenmp16

The Women, Media and Politics conference was organised by the Centre for Gender and Feminist Studies at University of Stirling and held at the Glasgow Women's Library.

We've storified the tweets on the hashtag #womenmp16 as women's representation in public spaces is part of the conducive context in which violence against women and girls thrives.

The conference was organised by the Centre for Gender & Feminist Studies (University of Stirling),
